

1. Cut out fortune teller along dotted line.
2. Fold in half, then in half again.
3. Open out, turn over the top is blank, then fold each corner into the middle.
4. Turn over and repeat.
5. Turn over so you can see the colours.
6. Slide your thumb and finger behind two of the colours and press together so they bend round and touch.
7. Turn over and repeat for the other two colours.
8. All the colours should be at the front with centres touching – your fortune teller is now ready to use.
